**THREE EXPERIENCES I HAVE HAD**

Dear Sir / Madam,

I

I would like to apply for the job of tour leader for your Africa tours. I have lots of useful experience for this role.

II

I have spent five months backpacking around Africa. In 2018, I visited Ethiopia, Kenya and Tanzania. I enjoyed meeting local people, learning about local traditions and visiting natural parks. I read and learned a lot about the culture and wildlife, and I even learned to speak some Swahili and Afrikaans.

III

I have also worked as a leader at a children's summer camp in England. I worked there in 2017. For this work, I did a course on climbing instruction and first aid. I learned how to be helpful and positive, and I also learned ways to entertain people and help them make friends when they are with strangers.

IV

Finally, I have completed the Youth Challenge. I did this in 2016. First, I had to volunteer with a local organisation for the elderly, where I chatted and played games with the members. The experience taught me to be patient and friendly. Secondly, I had to learn car mechanics. This taught me some practical skills. Thirdly, I organised a camping trip in the Scottish mountains with other students from my school. This experience taught me how to deal with problems like bad weather and getting lost.

V

I believe I have lots of useful experience to work as your tour leader. I would love the opportunity to tell you more about my skills at an interview.

Yours faithfully,

Nicholas Rigby
